

Proposed technical correction:

SECTION #.(a) Section 2 of S.L. 2017-174 reads as rewritten:

★ **"SECTION 2.** This act is effective when it becomes law and applies to any licensee or prospective applicant who seeks to make specified types of alterations or additions to its hospital facilities or to construct new hospital facilities and who submits plans and specifications to the Department of Health and Human Services pursuant to Article 5 of ~~Chapter 113E~~ Chapter 131E of the General Statutes on or after January 1, 2016."

SECTION #.(b) This section becomes effective July 21, 2017.

Explanation: This proposed technical correction fixes a citation error in the applicability provision for S.L. 2017-174. The correct reference is to "Article 5 of Chapter **131E** of the General Statutes"; the title of that article is the "Hospital Licensure Act", and there is no Chapter 113E of the General Statutes. This proposed technical correction has a retroactive effective date to match the effective date of S.L. 2017-174.
